

**INVITES  
YOU TO  
DIVE**

Welcome to DiveQuest!

DiveQuest at Epcot® allows scuba divers to live the ultimate diving experience. DiveQuest takes place in the Living Sea pavilion and allows certified scuba divers to dive in the Living Seas coral reef accompanied by a Disney diver.

Imagine a salt-water dive with 203 feet of visibility and over 4,000 animals native to the Caribbean swimming with you in every direction. Tropical fish, sharks, stingrays, giant green sea turtles, and plenty of coral for you to enjoy is just part of the fun. In addition to this unique scuba experience you will actually become part of the show. Your family members and friends can view your dive through any of the 56 giant acrylic windows at the Living Seas. Guests between 10 and 14 years old must be diving with a parent or legal guardian.

DiveQuest lasts approximately 3 hours. Actual dive time is approximately 45 minutes. All dives are video-taped and guests are given the opportunity to view the video tape and to purchase a copy. After the dive guests also receive a certificate of completion, along with an Epcot® DiveQuest T-shirt and refreshments. All diving equipment is provided and included in the cost. Theme park admission is not required or included in the price.

All proceeds from the Dive Quest program is given to the Wild Life Conservation Fund.
